Program Information

- The Paramedic program will prepare the student for the Paramedic Certification Exam.
- Students admitted: **30 - 36**
- Clinical facilities may prohibit students who do not have an assigned social security number from participating in clinical experiences which are a mandatory component of the curriculum. If other placement options are not available, the student would need to withdraw from that semester and would not be able to progress in the program. These factors must be taken into consideration prior to pursuing admission to the program.
- Classroom sessions meet two days per week and follow a shift friendly schedule.
- Along with the classroom, students will complete a required number of hours and competencies in the clinical and field environment.
- This program is offered at the SPC Allstate Center located at *3200 34th Street South, St Petersburg, FL*

Selection Criteria and Admissions

- **All application requirements must be satisfied by the closing of the application window.**
- Preference for admission (up to 12 seats) may be given to individuals employed by community partners. If the number of remaining eligible applicants exceed program availability, admission will be determined through a lottery system. An [EMT Employment Verification Form](#) is required.

If you are admitted, you will need to complete the following pre-enrollment requirements prior to the start of the first program course to maintain eligible status.

- Complete the Notice of Intent survey by the date indicated in the admission email.
- Successfully pass a background check and drug screening by date indicated in the admission email.
- Complete the Health Education Program orientation. Details provided in the admission email.
- Complete the Health Examination Form and any required immunizations. Details provided at orientation.
- Completion of BLS Provider from American Heart Association by date indicated at the orientation.

If you are not admitted, you will need to reapply during the next application cycle.
