The purpose of these sample test materials is to orient faculty and students to the types of questions on the Florida Civic Literacy Examination. The sample questions and answers are not intended to demonstrate the length of the actual test; however, each of the four outcomes assessed on the test are represented in the same proportion on the sample test as on the actual test (approximately 25% each). Student performance on the sample test should not be used as a predictor of performance on the actual test, and the sample test is not intended to guide classroom instruction.
