

HOPE Graduation Requirement for **Early Admission (EA)** Program Applicants

Students who accept an invitation to the Early Admission Program (EA), are required to complete the HOPE graduation requirement by the end of June (by June 15 for courses taken through FLVS (Florida Virtual School) prior to the first day of EA classes commencing @ St Petersburg College (SPC), Fall Term of their 12th grade High School year. Failure to successfully complete this requirement timely will disqualify student from EA and will result in Pinellas County Schools (PCS) rescinding the invitation to participate in EA.

Acceptable variations to completing HOPE:

<p>Students who have successfully completed two full years in a J.R.O.T.C. Program OR have participated in two full seasons in a district-sponsored high school sport as a competing athlete (applies to junior varsity and varsity sports, grades 9 – 12) may qualify for a HOPE Waiver; documentation is required and is processed via students High School Counselor.</p>	<p>Students who transferred to PCS from a Private School or Home Education may transfer 0.50 credit earned in Personal Fitness <u>AND</u> 0.50 credit earned in a Physical Education Activity Elective to meet the HOPE requirement. (Credit earned in a Health course is <u>not</u> a qualifying credit applied towards completion of HOPE).</p>
