Dr. William D. Law, Jr.
President
St. Petersburg College
P.O. Box 13489
St. Petersburg, FL 33733-3489

Dear Dr. Law:

Thank you for your letter of March 16, 2015, notifying the Commission of several program changes that are being made to match the state frameworks, effective fall 2015.

The names of the following programs will change:

Old Name	New Name
Accounting Applications	Accounting Technology Operations Certificate
Entrepreneurship	Business Entrepreneurship Certificate
Building Construction Technology	Sustainable Design Certificate

We acknowledge the information and will add it to your file.

The names or credit hours required for the following programs will change:

The Marketing Program name will change to Business Operations –Marketing Certificate and the required hours will increase from 12 hours to 18 hours. The name of the Digital Media Multimedia Presentation Certificate program did not change and the required credit hours will increase from 15 to 17 hours. Credit hour increases reflect the addition of existing courses to each certificate, are currently offered in parent degree programs and no additional resources are required.

We acknowledge the information and will add it to your file.

The new Digital Photography Certificate program will be created within the A.S in Photographic Technology degree program and will be a repackaging of existing courses. The certificate will require 22 hours and provide students an exit point and a workforce credential prior to completion of the associate degree program.

We accept notification and request no additional information.

July 7, 2015

The Associate of Science in Insurance and the International Business certificate programs are being closed. Students are no longer admitted to the program. Currently enrolled students have been notified of the closure and the existing courses have been reorganized into tracks within the A.S. in Business Administration degree program. Students have the option to complete the current program requirements within a three year teach-out period beginning fall 2015, or to switch to the A.S. in Business Administration degree program and apply their courses to the sub-plan requirements. Faculty will not be affected and will continue to teach their courses within the new degree program.

We approve the closure of the Associate of Science in Insurance degree program and the International Business certificate program.

Best regards,

A handwritten signature in cursive script that reads "Belle S. Wheelan".

Belle S. Wheelan, Ph.D.
