At some point, we will all know a friend, neighbor, family member, or co-worker who needs a blood transfusion. In fact, 1 out of 3 people will need blood in their lifetime. From natural disasters to unforeseen catastrophes, emergency hospital procedures to life-long battles with chronic diseases such as sickle cell, the demand for blood is constant. The supply is not. And since there is no substitute, only volunteer blood donors can roll up their sleeves and save lives.

Please take part in our onsite blood drive on All College Day using the OneBlood bus located between the BT & AD Buildings.

In Appreciation.

Special thanks to the Administration, Facilities, and Security staff of the Clearwater Campus for assisting us with the coordinaton and many logistics for All College Day 2015. We are very grateful to Stan Vittetoe, Eileen Brennecke, Diana Wright, John Shoffner, Katie Whitestone, Amelia Carey, Tracy Garrett, the All College Day Content Planning Committee and the All College Day Logistics Committee for their tremendous support.

We Love Our Volunteers.

Many thanks to the dozens of volunteers helping today with setting up, registering, greeting, hosting, serving and cleaning up. Chances are good that many of them were here as dawn was breaking. If you see someone in a blue vest, please give them your thanks!

A special thank you goes to the SPC Titans Baseball Team, Women on the Way, SPC Volunteer Program participants and our own faculty, staff and students who all generously donated their time.
