

College Placement Test Information for Dual Enrollment/Early College/Early Admission Students

To qualify for SPC's Dual Enrollment (DE), Early College (ECP) or Early Admission (EA) programs, you must have satisfactory scores (see score chart below) on either SPC's College Placement Test (PERT) or PSAT/SAT/ACT/CLT. Students enrolling in either the Early College Program or the Early Admission Program must have achieved college-level scores in all three areas of reading, writing and mathematics. **You must apply to SPC before taking the placement test.**

Prepare for the College Placement Test: You can use the following items to prepare you for the College Placement Test:

- [PERT Study Guide](#)
- [Sample PERT Test](#)
- [Accuplacer Website](#)
- [Review SPC's free online self-paced classes for Math, Reading and Writing](#)

Steps to take the Placement Test:

1. Complete an SPC student application online at www.spcollege.edu to receive a student ID number and an SPC e-mail address. (The \$40 application fee will be waived upon enrollment.)
 - Click on APPLY TO SPC and choose "High School Programs Student." You MUST know your Pinellas County School ID (public school students) and Social Security numbers to complete the application. The accuracy of your Social Security number is critical as it is used for verification when you log in to your classes.

Note: Skip STEP 1 if you already have an SPC ID number.

2. **IMPORTANT: You will need to create a password. Go to the SPC homepage (www.spcollege.edu). Click on the Titans Login button. Choose "Create Password" and go through those directions.** (It can take up to 30 minutes for your password to activate.)
3. If using the College Placement Test (PERT) to qualify, pre-register at stpe.co/PERT. SPC ID number and SPC email account will be required to fill out the pre-registration form. Testing options will be available at this website. Be sure to have your SPC ID number and photo ID for the testing session.

Accessibility Services: If you have a disability and require testing accommodations beyond extended time (test is not timed), contact [Accessibility Services](#) to make arrangements for accommodations.
