Next Meeting	Proposed: June 23 rd
Focus/Topics?	Next 5 months...How can we grow and keep sustainability.

Biomedical Systems Technology Advisory Board

<p>Meeting Summary</p>	<p>Kevin Farrell, Prius Health Care, VP of Marketing</p> <p>Kevin Farrell spoke about how their Repair Services Division, started in 2014, is growing at tremendous speed due to their ability to ramp up quickly with SPC BMET certificate grads. They have be able to take on more agreements with large OEM’s. DVT machines (Deep Vein Thrombosis) and their first non-care medical product- Enteral feeding pumps. As this division keeps growing, his need for skilled technicians to repair and test products grows. Hence, SPC’s Biomed technology students. Since January, 2016, they have hired 7 SPC students who comprise the majority of their 11 member tech team.</p> <p>Jason Druding, Career Source Tampa Bay, Special Projects Coordinator</p> <p>Kevin outlined all the great programs offered to employers to help them find employees and keep their current ones. On-the-Job Training (OJT) and Employed Worker Training (EWT). Also Incumbent Worker Training (IWT). Jason will work with program Career Specialists to enroll /inform students of opportunities.</p> <p>Belinthia Berry, Program Director Workforce Institute, SPC.</p> <p>Presented Florida Flex training grants that strengthen businesses across many industries. Various grants offered. Funds are depleted for 2015. New funding begins July 1, 2016. Andrea Falvey, PCED, offered information on the programs and the funding issues. Belinthia offered to assist organizations with the July 2016 applications. She will also assist the committee with any joint or consortium applications.</p> <p>Dr. Barrie Fitz-Gerald, PhD, Implement HIT</p> <p>Dr. Fitzgerald highlighted the software technology advances in medical training and learning. Second Life, online 3D virtual worlds where students off campus can tour a campus as their own Avatar. Doctors now can learn on their phones. Bite Size learning increments and Virtual Reality Devices. Dr. Fitzgerald will follow up with Dr. Ludwig on possibility of integrating web-based ICD-10 training.</p> <p>Brian Bell, PhD, SPC</p> <p>Brian announced that the AAMI Conference and Expo will be held in Tampa, June 3-6th. Association for the Advancement of Medical Instrumentation.</p> <p>Meeting Adjourned @ 4:55PM</p>
