Student's calculated SAP status (see note below)*

Below are links to online calculators that can be used to help you **Raise your GPA** or determine how to **Raise your Completion Ratio**. Students enrolled in programs of study of one or less are required to maintain a 2.0 or greater cumulative GPA at all times. Students in other programs are required to achieve a minimum cumulative GPA based on credit hours earned.

SPC Credit Hours Earned	Cumulative Academic GPA
1-15	1.5
16-30	1.75
31 or greater	2.0

Information about SPC's minimum SAP requirements:

- GPA requirements
- Completion Ratio

Students must successfully complete 67% of hours attempted to maintain financial assistance eligibility.
